How Your School Can Partner with Pacific Symphony to Enhance Student Learning Through Music

Information packet for schools interested in
Class Act for the 2019-2020 school year

The Frieda Belinfante Class Act Program is Pacific Symphony's flagship youth education program. Individual Symphony musicians are trained and placed in year-long residencies at up to 32 K-8 schools in Orange County, bringing the magic of symphonic music to over 16,500 students.

Class Act's theme-based curriculum is aligned with both Common Core and VAPA standards, and allows school communities the opportunity to explore a new theme and composer each year. In 2018-2019, the program's 24th season, Class Act explores the music of Peter Ilyich Tchaikovsky and the theme of "Symphonic Storytelling."

The strong partnership component between the Symphony and school communities is key to the success of the program. 8,500 teachers and parents are touched by the program each year, while Class Act serves as an entry point to other Symphony activities, encouraging participants to further explore their interest in music and music-making with Pacific Symphony.

Program activities include onsite **Teacher Training Workshops**, which provide educators with grade-level appropriate, multidisciplinary arts activities to enhance student learning in multiple subject areas through music. Student-centered activities include **Prelude Assemblies**, attended by each school's entire student body and hosted by a professional actor who introduces students to their musician and the year's theme and composer. **Classroom Lessons** then follow, presented to each grade level and taught by Symphony musicians. As with all program elements, these age-appropriate lessons are aligned with national Common Core and state VAPA standards. Lessons focus on the year's theme and featured composer, as well as providing details about the musician's instrument and career. **Family Night** ensemble performances are then presented at each school by a Symphony quintet, led by the school's musician and featuring his/her instrument. **Youth Concerts** are interactive performances presented in late spring by the full Symphony at the Renée and Henry Segerstrom Concert Hall. These concerts, designed for students in grades two and higher, emphasize musical concepts learned during the year through the featured composer's music. Students in grades K and 1 participate in the **Interactive Musical Experience**, an age-appropriate culminating activity that emphasizes active music-making. **Bravo Assemblies** conclude the year, featuring each classroom's creative expression of what was learned through Class Act, in formats of their choosing: dance, music, theater, writing, or visual art presentations.

The *Frieda Belinfante Class Act* program is presented for a minimal charge to the participating schools in 14 cities countywide and has been recognized by the League of American Orchestras and the National Endowment for the Arts as one of the nine most exemplary music education programs in the United States.
